

# Crop Technician

Maelor  
Forest Nurseries

BSWGROUP member of binderholz

Excellent salary + benefits  
Based: Bronington, SY13 3HZ

## About Us

Maelor Forest Nurseries Ltd, owned by BSW Timber Ltd, forms part of the unique seed to sawmill offering under the Group umbrella. The nursery produces an extensive range of commercial forestry and native broadleaf species, marketing in excess of 28 million UK grown trees a year to customers throughout the UK and Europe. Our investment in a new state-of-the-art laboratory highlights our dedication to providing cutting edge research into the benefits of genetic improvement for commercial tree species.

## About the Role

As part of our ambitious growth and continued plans, we are looking to recruit a **Crop Technician**. Working with the Agronomy Manager, the Crop Technician will oversee the tree production, monitoring the tree health and adherence to the growing protocols and production plans for both our sites in Wales and Scotland.

As Crop Technician your responsibilities will include:

- Carrying out regular crop walks to monitor pest and disease.
- Responsible for conducting field trials evaluating pesticides and nutrition products.
- Playing a key role in the tree breeding programme.
- Understanding and implementing Health and Safety, Environmental and other regulatory procedures when necessary.
- Ensuring quality standards are adhered to.
- Responsible for inputting data using our horticultural production software.

You will be expected to work closely with the management team suggesting new ideas and exploring new opportunities.

## About you

Ideally, we are looking for someone who has previous experience in a similar job role. You must be highly organised, have excellent attention to detail and with a can do attitude. You will be using a range of different IT programmes so you must have strong IT skills.

Holding the necessary PA1 and PA6 spray certificates would be an advantage but is not essential as training can be given.

In return, you can look forward to developing a long-term career with one of the industry's leading employers. As well as a competitive salary, this position includes other benefits such as:

- Employee benefits portal with access to exclusive deals and discounts on 100s of high street brands, utilities, eating out and more.
- Cycle to Work Scheme.
- Funded learning and career development opportunities.

If this sounds like the role for you, **apply now** by visiting [www.vacancies.bsw.co.uk](http://www.vacancies.bsw.co.uk) and completing our online application form and send to us along with your CV and Cover Letter.

The Company's Job Applicant Privacy Notice is available on our [Company website](#).
